

Expressions of Interest:

International Contender class (as at Feb2026).

2007 timber Vito Bonezzi in good condition – plaque 2389 & measurement certificate.

Sitting on Luca Bonezzi stainless steel trolley – 2 years old

Top and bottom covers (top needs some zipper re-stitching at the bow)

Centreboard: Tebbertman (German) – excellent condition, similar flex to Bonezzi standard

Rudder: 1st Luca Bonezzi fixed carbon, new in 2023 used only 7 times, 2nd Vito Bonezzi fixed rudder – ugly to look at but solid and effective

Carbon tiller extension

Mainly Harken cleats and blocks. Configured with carbon boom vang lever. All new strings for Kerteminde 2023

Mast:

Option 1: New Zealand C-Tech “Fisher” hand laid asymmetric carbon, custom carbon fittings, Selden adjustable spreaders, all rigging, excellent condition, carbon trap sticks configuration

Option 2: Australia CST wound carbon, all fittings and rigging, excellent condition

Option 3: both

Boom:

Option 1: New Zealand C-Tech “Fisher” ultra-high modulus carbon round (fully stiff and light weight), all fittings – as new condition.

Option 2: Superspars carbon round with all fittings and rigging – very good condition

Option 3: both

Sails: 1 x Cicada dacron (2007, well used, suitable for club / training), 1 x Wavelength (2014, well used – suitable for club / training)

Option 1: Wavelength dacron new 2023 never used

Option 2: North laminate “Fisher” used in Malcesine Italy Worlds 2025

Option 3: both

I bought the boat in late 2022 for competing in European World Championships. Since Kerteminde 2023 it has been stored at Luca Bonezzi’s inside shed rack storage. Sailed in Malcesine 2025 and I’ll be competing in Kiel Week and Medimblik 2026 Worlds. Boat is stiff and on minimum weight (has correctors), sails fast. If I had the boat with me, I would be re-clear coating because I am fastidious and I like a really pretty boat.

Boat is available for sale immediately after Medimblik.

Best contact is email: contenderaus2468@gmail.com.

I'm open to suggestions or questions.

Cheers
